

**Department of Health and Ageing
2012 Calendar of Events**

This calendar has been compiled by the Communications Branch of the Australian Government Department of Health and Ageing and is available on the internet at:

<http://www.health.gov.au/internet/main/publishing.nsf/Content/health-pubs-calendar-index.htm>

The dates and events listed are major awareness days, weeks and months related to health and ageing. They could also be subject to change and confirmation should be sought from the relevant organisation before planning any associated activities. For other fund-raising events related to a particular organisation, visit the organisation's web site.

No responsibility is accepted for the correctness of information and contacts supplied by contributing organisations. A listing in this calendar does not imply endorsement by the Australian Department of Health and Ageing.

To have an event listed, update an entry or obtain more information, send an e-mail to:
