

This form should only be used for licensed (DNIR) dealings that may be NLRDs (after 31 March 2007)

Combined NLRD Notification & Surrender of DNIR licence

Part 1: Notification of a low risk dealing under Regulation 13(1)(a) of the *Gene Technology Regulations 2001*

Name of IBC	
-------------	--

I provide notice that:

- I am authorised (as a representative of the above Institutional Biosafety Committee) to notify the Gene Technology Regulator of a low risk dealing under Regulation 13(1) of the Gene Technology Regulations;
- The dealings described in **Table 1** (attached) meet the requirements for a notifiable low risk dealing (NLRD) in accordance with Part 1 or Part 2 of Schedule 3 of the Gene Technology Regulations;
- Persons undertaking these dealings have been notified in writing that the dealings are NLRDs; and
- Personnel involved in these dealings have appropriate training and experience.
